### REGGIE'S DAY

#### PART ONE

My name is Reggie. I live in Horsham in Sussex with my mum, dad, and my sister Jen. I am fourteen years old and I have a busy day. I get up every morning at about 7 am. My mum makes me and Jen breakfast. We usually have jam on toast and a glass of orange juice. My mum and dad both have a cup of tea and toast.

5 After breakfast Jen and I get ready for school. We wash up and put on our school uniforms. My uniform is a white Polo shirt, a tie, and a blue sweatshirt with grey trousers. Jen wears the same, but with a grey skirt. While we get ready, mum packs our lunch. This is usually a ham or tuna sandwich, fruit and a bag of crisps. Our school is close to our home, so Jen and I walk there at 8:30. Dad takes the train to

10 London and then the Tube to the centre. He's an IT guy. Mum is a writer and she works from home. So after she gets us ready for school, she works at home in her pajamas. I am so jealous of that!

Our school is James Bennett Secondary School and I'm in Year 10. I love it! I love spending all day learning with my friends. I like my teachers too. I like some of my

15 subjects and I'm not too keen on others. My favourite subject is history. I really like reading about the Middle Ages and the famous explorers. It's really exciting to learn and read about. I don't like science and maths too much. Sometimes I fall asleep in those classes! I love PE (physical education) because we play sports like football and tag rugby.

**PART TWO**

Jen and I leave school at 3:15. Sometimes we walk to the shops on High Street. We might go to a shop and get some biscuits as a snack. Sometimes Jen and I stay at school to do an after-school activity. Jen is in the dance club. I play sports like basketball or cricket. If we do an after-school activity, we leave school at 5 pm. When we get home, we have tea. Tea is the evening meal for me and Jen. Mum makes us lots of different things for tea. Sometimes we have spaghetti with tomato sauce or a jacket potato with beans and cheese or with tuna mayonnaise. Jen's favourite is a sausage roll and my favourite is fish fingers with chips. After tea, Jen or I do the washing up - we take turns. Then I help my mum by doing housework. I tidy my room or I take out the rubbish bins. And then Jen and I do our homework or watch telly.

When my dad gets home at 7:30, he and mum have dinner together. When they finish, we sometimes watch a movie together. At 9:30 mum turns off the TV and Jen and I read until bedtime, which is at 10 or 10:30. I fall asleep fast, because I had such a busy day!

On Saturday, my dad gets up early and makes a big traditional English breakfast. This is eggs, beans, sausages, tomatoes, mushrooms, and toast. It's delicious! In the afternoon, we go for a drive or we go for a walk in a park. On Sunday we have a traditional Sunday roast. It's my favourite meal of the week! It's roasted meat and roast potatoes or mashed potatoes. Also, we have Yorkshire pudding, stuffing, gravy and mint sauce. It's so good! And we get to bed early to start the week off right!
