

Všechny testy mají standardní verzi (I) a zjednodušenou verzi (II), která je vhodná pro žáky s pomalejším tempem učení nebo pro žáky se specifickými poruchami učení. Obě varianty testů může vyučující libovolně kombinovat s ohledem na konkrétní skupinu žáků. Kromě mluvení jsou v testech zastoupeny všechny řečové dovednosti (poslech, čtení, psaní). V každém testu je z jazykových prostředků kladen velký důraz na slovní zásobu a gramatiku dané lekce. Všechny varianty testů jsou koncipovány tak, aby obsahovaly co nejvíce typů cvičení (cvičení transformační, doplňovací, pojmenování předmětů, doplňování slov do kontextu, seskupování slov podle určitých kritérií, překlad apod.).

.....

8 Complete the sentences with the missing words. Use the words from the box. There are two extra words that you won't need.**(10 points)**

**ACHIEVE | SET | PROGRESS | ENJOY | STOP | CHORES | SUCCESSFUL | HABIT |
INSPIRING | ARGUING | LESS | ACCEPT**

I've read it's really important to goals. I've thought about it and I know what I want. I'll eat chocolate and drinking energy drinks. At school I'll better results because I want to be I also want to meet people and new friends. At home I'll help with and stop with my mum. OK. I'm ready to this challenge. I hope I'll my self-development.

9 Read about Susan and choose the correct option – true (T) or false (F). (4 points)

In twenty years, I see myself being happy with the love of my life. I think I will have two children. I will also have a big house in a small village with a large garden because I want to have two dogs. What will I do? I don't know. However, I believe I will become a vet because I love animals. I hope I will travel a lot, so I need to improve my English. I will probably visit famous places, but I am sure that I won't climb Mount Everest. I hate climbing. What about my free time? I suppose that I won't play computer games at all because I will prefer to meet my friends and walk my dogs. In short, I believe I will be happy and achieve everything I want.

- 1) Susan will have a house in a city.
- 2) She thinks that she will be a teacher.
- 3) She will probably never climb Mount Everest.
- 4) She thinks that meeting her friends will be better than playing computer games.
