10 PROJECT MY HOLIDAY

1 LISTEN AND READ.

I'm **MEENA**, I'm 13 and I'm from the UK. We usually go on holiday to Spain, sometimes we fly and sometimes we go by car.

In Spain I love the sea! I like swimming, snorkelling and building sand castles.

I like the plane of course, I don't like going by car, it's too long!

Also the food in Spain is excellent and I love the ice-cream!

My brother always plays football on the beach with my dad. It's really dangerous for everyone!

Mum usually reads and sunbathes on the beach. She relaxes and she's happy.

I love the sea there. I like snorkelling and watching different fish and jellyfish, stars and octopuses!

I'm **Filip**, I'm 11 and I'm from Poland. We sometimes go on holiday to different places in Poland or we go to Croatia.

We sometimes go to see different cities like Dubrovnik. I don't like it! It's too hot and I always want to swim!

We usually go on holiday to Italy or Austria.

My name's **Frederic**,
I'm 17 and I'm
from Germany.

My family don't like going to the sea, so we usually go to the mountains, to the Alps.

This is good, because we can speak German in Austria, my parents can't speak English or other languages.

My dad loves hiking and climbing and I like it too.

My mum and my sister don't like it very much, so they usually go to see some lakes, or they go to a café.

I'm **Tamara**,
I'm 12 and I'm from
Slovakia.

We usually go on holiday to Italy or France. We go to the mountains and to the sea, it's great, I like both. Also I love the ice-cream in Italy and my parents love the coffee there. They say the Italians make the best coffee and ice-cream in the world.

But this year is different! We are not going to Italy or France, we're going to the USA! **WOW!** I'm so excited!

We want to see the Grand Canyon and then go to Los Angeles. The only thing I'm scared of is ... I have to speak English there!!
