I've got a big family. Let me tell you about it. First, my parents. My mum is a doctor. She is really beautiful and she's got long straight hair. She's very friendly. My dad is a vet - the animal doctor. He is always busy. He is tall and slim and very sporty, he's got short brown hair. My parents have got two daughters - me and my sister, they haven't got a son. My little sister Vivian or Vivi is ... well ... a little sister. She's smaller than me, she's lazy and sometimes naughty, but I like her. My favourite aunt is Meena, she's got short curly hair and she's a bit chubby. She's a teacher. I like her because she's very creative. Her husband, uncle Tim, is very funny. He's taller than my dad and he's a mechanic. Their son, little Timmy, is my cousin. He's a baby, he is smaller than my sister, he has no hair - he's bald and he sleeps all the time. I've got another cousin, he's much older than me, he's 19! He's a driver, he's got a nice car. ... My grandma ... My grandpa ...

Hi, I'm Tom. I love sports, my favourite one is basketball. I can't walk, run or jump, so I have to be creative. I play basketball in a wheelchair. It is harder, I have to have strong arms but I can do it. When I lose the ball my friend Sunny always helps me. He is a big and friendly dog. He also helps me to find my clothes and get dressed. Sometimes Sunny is tired and lazy, but I understand. He's my best friend.

Hello, my name is Tina. I love riding horses. I can't see, I am blind. We live in a small village and I have got two beautiful horses. I ride a horse with my dog friend Lucky, he runs next to me. Lucky is very young, he's one year old. When we are in the park, Lucky is sometimes crazy and naughty but usually he is a friendly dog who helps me to walk to school or get on the bus.
